**Advisory to Students
On Teaching-Learning Mode of Delivery
in the Second Semester, AY 2020-2021**

Due to the volatile situation and uncertainties concerning the present pandemic, the University shall continue to deliver all lecture classes fully online and the laboratory classes shall either be online or blended mode in the second semester of AY 2020-2021, **subject to IATF and CHED/Legal Education Board regulations.**

Virtual labs shall be created, where applicable to deliver the laboratory classes online. Otherwise, **if allowed by IATF and CHED regulations**, laboratory classes shall be conducted in the respective campuses strictly observing the health and safety protocols. Kindly get in touch with your department/school for further guidelines.

Enrollment will start on January 4, 2021.
