

GUIDELINES FOR INTERNET CONNECTIVITY SUPPORT FOR STUDENTS

1. The University negotiates for a special rate for prepaid internet connection kit with the different internet providers.
2. The package is available to all enrolled students of USC.
3. Upon enrollment, the student will signify intent to avail of the package. He/She shall then deposit the corresponding amount for the kit together with the enrollment down payment or apply for 2 installments payment scheme, first payment of which is due together with the enrollment down payment and the balance to be assessed together with the Pre-Midterm dues.
4. Upon payment of the deposit, he/she shall show the receipt and submit the **Prepaid Wifi Unit Application Form for Students** to the Purchasing Office of the Finance Division. Purchasing Office shall facilitate the procurement of the prepaid kit and submit to the Assessment Staff for the encoding of the installment charges of the unit.
5. The student will then be advised through his/her USC email account once the unit is available.
